

CERTIFICATE OF COMPLIANCE

IT IS HEARBY STATED AND CERTIFIED

That the Company (Charter Engineering, Inc.) complies with the Restrictions on Hazardous Substances (RoHs) Directives to the extent stated herein:

Charter Engineering does not use any of the Restricted Substances specified by the RoHS Directives (listed below) as components in our RF Switch products, nor are these substances employed during any electromechanical relay manufacturing process:

Lead

Mercury

Cadmium

Hexavalent Chromium

Polybrominated Biphenyls (PBB's)

Polybrominated Diphenyl Ethers (PBDE's)

However, upon request from the customer, connections between wires and terminals may contain solder that contains 60% tin and 40% lead.
